- Properly-managed homestay offers an easier transition to alternate accommodation once the student has settled in

**A memorable experience
for younger students**

U18s and High School Students

We understand younger students require more attention and support, so we have developed packages, policies and procedures to accommodate their special needs

- ☑ Support services specifically for younger students
- ☑ Accommodation in an approved homestay environment
- ☑ We manage the selection, recruitment and training of appropriate hosts who act as a custodian for the student
- ☑ Hosts and permanent residents of a homestay are required to obtain the relevant Working with Children Check and/or Police Check for their State/Territory and ensure these remain valid
- ☑ Hosts must agree to the extra responsibilities of hosting U18s/high school students
- ☑ Additional Code of Conduct for Under 18s

U18s and High School Students

Hosts are also trained to:

- Assist students with setting up a bank account and purchasing a mobile phone/SIM card;
- Take the time to ensure students become familiar with their neighbourhood and understand local customs;
- Offer guidance for appropriate behaviour;
- Assist in monitoring the student's curfew, wellbeing and school attendance; and
- Take responsibility for the student in the event of a critical incident and communicate details back to the student's parents and school through AHN or NZH
